Our NSR events

GET TOGETHER

At the moment LCI is looking for a location.

Then I have a contact person in Melbourne that can possibly point out to us a second option that could be more interesting

SCANDINAVIAN HOSPITALITY

Our reception will most likely be held in the convention center (MCEC) as long as we get a price and a space according to our needs and budget.

Parade- and CC meeting

CC meeting will be held online afterwards or if needed in Melbourne, at a café to save cost. Parade meeting also with no cost.

Get together Party

Thursday 20th June

Get together party

- I wait for the LCI proposal but work at the same time on a more interesting venue. I have a contact person in Melbourne that can possibly lead us to something more exciting if needed.
- We will have tables with two from each country (flags on plates) to mix up the countries for mingle.
- The party is planned for about 80+ delegates
- The DGe program is set to max 5 min if it will be done. CCs will come back to coordinator with info about if it will happen.
- The budget for food max 50€ /pers.(drinks excl.)

International Parade

Saturday 22nd June

International parade

- The parade clothes changed last year from the old west to a modern shirt that you can also wear with pride in other Lions occasions. (See more on slides 11-12).
- Questions have been raised about making a new song for the traditional «Den glade vandren». We haven't got any new one suggestion so this is unchanged.
- The competition category we will be registered is “precision demonstration units”. Judging is based on 1. Marching & maneuvering, 2. Repertoire, 3. Precision & timing and 4. General effects.

New parade shirts

All have the same unified backside. Then frontside will be the same for all five countries, except for the country flag, country name and MD number on the chest. This shirt you can wear anytime, not just at the LCIcon.

Parade dress

- The CC group has decided that we will either dress in national costumes or the new NSR shirts, together with black trousers, socks and shoes. Most people already have that kind of clothing in their closet.
- Please try to avoid having any loose objects or bags with you. We have some NSR textile bags that you can borrow from others or ask your MD if they have, to sell.
- More information will be shared on the parade meeting 21st of June for your person in charge of the parade for your MD.

Scandinavian Hospitality

Sunday 23rd June

Scandinavian Hospitality

- The Hospitality Room is a reception. We invite our international Lions friends. The reception is planned for 600-800 guests.
- Finger food is served on a flow with Scandinavian dishes if possible.
- We have tables to promote each country with give aways and national decorations. We present our countries in an informative way and give our guests always a bite to taste. As the tradition gives, we serve Nordic snaps that DGEs bring with them (if we can manage to get a cork fee for the bottles).
- We have 5 roll-up stands showing NSR cooperation and our joint projects so guests can see what the NSR is all about.
- We have a stage in the middle of the room if possible, great AV equipment and play Nordic music in the speakers.
- The CCs will latest get the invitation cards handed out at the GTG
