## **Agenda topic no. 12.2**

### **12.2 Are we going to shorten the time of rotation of the OC members to three years?**

The NSR CC Board propose to shorten the time of rotation of the NSR OC members.

According to the By-Laws 3.3 b the NSR OC representative shall be appointed/elected for a period of 5 years. Appointment/election follows a principle where one member of the NSR OC-group must be replaced or reappointed/reelected every year.

The NSR OC representative from the host country of the annual NSR Meeting is always the Chairperson of the NSR OC-Group. The NSR OC representative from the country hosting the following year Meeting is always the secretary of the NSR OC-group.

#### **Proposal:**

a. The NSR-OC consists of 5 Lions, one from each Scandinavian country. The representative shall be appointed or elected in each MD and should be a Lions leader with a strong NSR experience.

b. The OC representative shall be appointed or elected for a period of 3 years.

c. Change of appointment and election are starting at the next appointment and election in the respective countries.

d. Chairperson and Secretary is independent of connection to the host country for NSR and in following order: Norway, Denmark, Finland, Island and Sweden and so on starting by Norway as per 1 July 2025.
